

Pillzy

PRESS KIT · ONE-PAGER

Take the right dose at the right time, every day

Pillzy is a reminder and tracking app for iPhone and Android. Add each medicine with its dose and instructions, set a schedule, and Pillzy reminds you when each dose is due, logs what you took or missed, and keeps the history in one place.

Key features

Reminders with snooze

A notification for every scheduled dose, plus a follow-up if a dose isn't marked.

Flexible schedules

Daily, specific weekdays, every other day, as needed or custom, with several times per day.

Dose log, history and statistics

Taken, missed and skipped doses, charts by day and time of day, PDF report (subscription).

Calendar planner

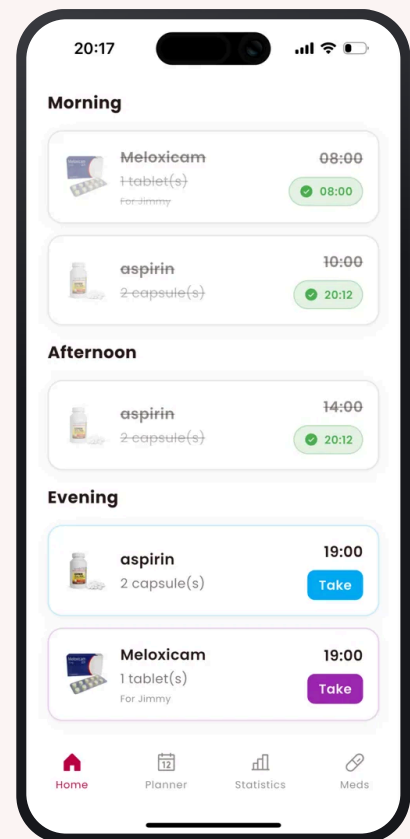

See what is due and what is done for any day.

Notes and refill reminders

Record side effects or doctor instructions; get a reminder before you run out.

For caregivers

Track a loved one's medicines on your own phone, with their name in each reminder.

Free to download for two medicines or supplements; optional subscription. Pillzy is a reminder and tracking app, not medical advice.
